

EU-MED Agpol project annual meeting in Istanbul – 9 to 12 May 2005

Details about the field trip on 12 May

Dear colleagues,

We suggest you a visit, on 12th of May, to **Alara Tarim Urunleri Sanayi ve Ticaret A.S.** a most modern and developing firm specialising on fresh fruits and particularly on cherries. The most important processing plants of Alara is at Bursa, a nice and historical city near to the Marmara Sea coast. We will continue our daily journey with a touristic visit to Bursa, the capital of “doner kebab” a traditional meat dish. Before arriving in Bursa, we will take a ferry from Istanbul to Yalova and say hello to the Marmara dolphins.
